LIFE GROUP DISCUSSION QUESTIONS
1 CORINTHIANS | THE FOOLISH FULCRUM
1 CORINTHIANS 1:18-25

The winter Life Groups Quarter is from January 16 - April 16. To join a group at any time, please visit www.efcc.org/life-groups/.

Getting to Know Each Other Better

1. When you were a kid, what did you think was really fancy (but which really isn't today)?

Renewed by Grace/Equipped as Disciples

Read 1 Corinthians 1:18-25

2. It seems that the longer someone is a follower of Christ, the more benign the cross becomes. What Jesus suffered seems to become somewhat sanitized, and the foolishness of God dying in such a manner seems to become somewhat minimized. Would you agree or disagree with this assessment? Why? If this observation is true, what general effects would you expect it to have in the life of a believer who has walked with God a long time? Finally, how can a Christian keep the difficult realities of the cross fresh in his or her life?
3. Jesus calls us to take up our cross and follow Him (Matt. 16:24-26). Paul tells us exactly what that means in these verses. Referring back to your outline, review and discuss what each of the three are and what each of the three might mean in your life this next week.

Sent in Love

4. Now that you've had the discussion of what each might mean, pick one and tell your group how you plan to take up the cross and follow Christ over the next seven days. Please try to be as specific as possible!
