GLOBAL OUTREACH

JOINING JESUS' MISSION

“Go and make disciples of all nations.” (Matthew 28:19)

Jesus' command to his disciples launched a worldwide movement of disciples making disciples in every people group, until there are disciples of Jesus everywhere.

The breathtaking scope of this global vision is rather audacious if you consider that Jesus was speaking to a motley crew of 11 very ordinary Galileans. These men never traveled more than 100 miles from their homes in the deep backwaters of the Roman Empire. They had no position, no power, no funding, no map with “all nations” on it (certainly not the USA)!

And yet, here we are! 2,000 years later and 7,600 miles away, we are living proof that Jesus' plan to save humanity is in progress! If you are a follower of Jesus today, it is because 100+ generations of disciples made disciples who made disciples of all people groups... including yours. Let that sink in for a minute.

From the day our church was founded in 1939, Emmanuel Faith has played a key role in continuing this generational and global mission. We stand today on the shoulders of hundreds of ordinary people who have been sent by EFCC to do extraordinary things. They have not only impacted the world but also deeply shaped our community. We continue our mission today, always creatively adapting our methods to our times, while our focus - taking the Good News to those who need it most - remains unchanged.

As you explore what God is doing through our church in 47 nations around the world, our prayer is that you will be encouraged, equipped, and empowered to see what God can do through you as you join Jesus on His mission in our broken world.

SHARING THE MESSAGE

4 out of 10 people on our planet will live their entire lives without ever hearing the Gospel or even meeting a Christian.

Emmanuel Faith's Global Outreach is laser-focused on changing this staggering statistic, so we have concentrated our efforts on the "4 out of 10", those living in unreached people groups around the world. We are making the saving message about Jesus accessible to millions of people in North Africa, the Middle East, Central and East Asia - the areas where most of these people groups are concentrated. What does that look like practically?

Emmanuel Faith missionaries and partners are...

- ... Translating and printing the Bible for remote tribes in Papua New Guinea
- ... Making the Gospel message available among oral cultures in Asia and Africa
- ... Creating digital content in Arabic for Muslims in North Africa
- ... Making the Jesus film available in remote villages in Mali
- ... Sending satellite broadcasts directly into homes throughout Iran
- ... Sharing the Gospel on social media platforms in China
- ... Smuggling physical copies of Bibles for believers in Iran

SENDING MISSIONARIES

The Message needs Messengers who are willing to deliver it.

The Emmanuel Faith Outreach Fund currently supports 61 missionaries.

We send our best to pioneer new work, mobilize and train leaders, build strategic partnerships, and foster indigenous gospel movements. We also help send South American missionaries to North Africa, Chinese missionaries to Central Asia, and Middle Eastern missionaries to Europe. Jesus' disciples are the most global and diverse community on the planet today and missionaries are now being sent from everywhere to everywhere! What follows is just a sample of the work our missionaries have dedicated themselves to:

Emmanuel Faith missionaries are...

- ... Training emerging church leaders among Syrian, Afghan, and Persian refugees
- ... Caring for cross-cultural workers and their families in the Gulf
- ... Discipling Muslim-background believers in Pakistan
- ... Providing medical care and community health training in Chad
- ... Training new workers in Morocco
- ... Developing church planters in Mongolia and Vietnam
- ... Training missionary "bush" pilots
- ... Mapping Great Commission progress and priorities
- ... Sharing the Gospel with university students in Japan
- ... Mobilizing Latino missionaries globally
- ... Providing field care for Brazilian missionaries
- ... Sharing the Gospel with professionals in Kazakhstan
- ... Mobilizing and training sports ministry leaders in Taiwan and the Philippines
- ... Welcoming refugees and international students in San Diego
- ... Deploying digital strategies to reach Chinese minority groups

PARTNERING WITH MOVEMENTS

God is stirring up new movements of small, indigenous and multiplying churches in some of the most hostile and unlikely places. For example, more Muslims have come to Christ in the past 14 years than in the past 14 centuries combined! Thousands of small village churches are multiplying across India despite severe persecution. On any given Sunday, there are more believers meeting in Chinese underground churches than in all the cathedrals of Europe! Young people in Islamic North Africa are being discipled through sports. Groups of disciples, led by women, are secretly worshiping in Iran. God is truly doing something new and Emmanuel Faith is prayerfully partnering with 13 amazing global partners to help foster powerful Gospel movements in 23 countries.

Emmanuel Faith is partnering with the global church to...

- ... plant hundreds of house churches among twenty unreached people groups in India
- ... train missionaries from underground churches in China
- ... provide biblical teaching for underground church leaders in Iran
- ... disciple secret believers and house church leaders among the Houthis in Yemen
- ... send African missionaries to the Muslim-majority countries in North Africa
- ... train church planters in Lebanon and Syria
- ... train young sports ministry leaders in more than 20 countries

SHOWING MERCY

As Jesus' disciples, we seek justice, we love mercy, and we walk humbly into every circumstance. We are moved by compassion to care for those who are suffering, to stand for those who are being oppressed, and to defend those who are vulnerable. Through one act of loving service at a time, and one changed life helping to change another, we bring Jesus' Kingdom here to earth.

Through the Emmanuel Faith Outreach Fund we help:

... provide Bible-based trauma care for former "ISIS brides" and their children in Iraq

... rescue vulnerable children from human traffickers in India

... provide Christian education to hundreds of Syrian children in Lebanon and Jordan

... assist our partner churches and organizations in relief and outreach efforts in Lebanon

... welcome refugees and help them find safety in the Middle East, across Europe, and here in San Diego

...come alongside refugees and help them get settled in San Diego through the Journey of Hope ministry
