Los Angeles Wildfires Relief Information: How Can You Help?

We're all heartbroken by the devastation caused by the fires in Los Angeles. EFCC has a strong relationship with Lake Avenue Church, a trusted local church in the middle of the fire-damaged neighborhoods of Altadena. They're leading both immediate relief and long-term recovery efforts and we're partnering with them. The biggest current need is funds to provide immediate services for people displaced by the fires. To help, please visit efcc.org/relief to give to our Relief Fund. Funds collected at this time will be passed on to relief and response efforts led by Lake Avenue Church.

Annual Donor Statements to Be Provided Soon

Contact: *Lori Pierce, lap@efcc.org, (760) 781-2114*

It's almost tax time again, and that means Emmanuel Faith will be providing giving statements in the next few weeks. We'll be emailing them through our Pushpay giving portal this year.

You can help us be good stewards by logging into your account on the app and making sure we have a good email address for you. Statements will be emailed in the next few weeks and also mailed to those for whom we have no email address. If you have questions, please contact Lori Pierce.

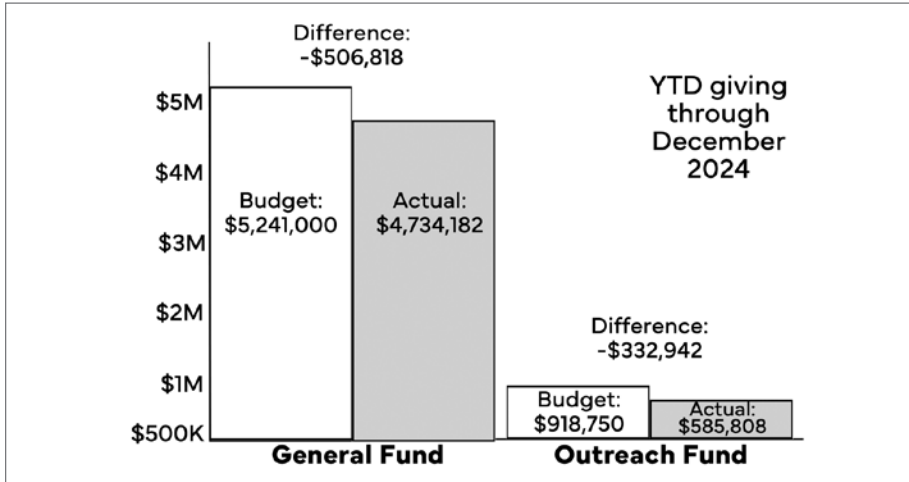

See more announcements, the Outreach update, sermon notes, and more on the following pages in this worship guide, or via our App, or visit www.efcc.org.
